

AN ACT concerning State Government.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Illinois Administrative Procedure Act is amended by changing Sections 5-115, 5-120, and 5-125 as follows:

(5 ILCS 100/5-115) (from Ch. 127, par. 1005-115)

Sec. 5-115. Other action by the Joint Committee.

(a) If the Joint Committee determines that the adoption and effectiveness of a proposed rule, amendment, or repealer or portion of a proposed rule, amendment, or repealer by an agency would be objectionable under any of the standards for the Joint Committee's review specified in Section 5-100, 5-105, 5-110, 5-120, or 5-130 and would constitute a serious threat to the public interest, safety, or welfare, the Joint Committee may issue a statement to that effect at any time before the proposed rule, amendment, or repealer takes effect. The statement may be issued by the Joint Committee only upon the affirmative vote of three-fifths of the members appointed to the Joint Committee. The Joint Committee, however, may withdraw a statement within 180 days after it is issued upon the affirmative vote of a majority of the members appointed to the Joint Committee. A certified copy of each ~~the~~ statement and withdrawal shall be transmitted to the proposing agency and to the Secretary of State for publication in the next available issue of the Illinois Register.

(b) The proposed rule, amendment, or repealer or the portion of the proposed rule, amendment, or repealer to which the Joint Committee has issued a statement under subsection (a) shall not be accepted for filing by the Secretary of State nor take effect unless the statement is withdrawn or a joint resolution is passed as provided in subsection (c) ~~for at least~~

~~180 days after receipt of the statement by the Secretary of State.~~ The agency may not enforce or invoke for any reason a proposed rule, amendment, or repealer or any portion thereof that is prohibited from being filed by this subsection ~~during this 180-day period.~~

(c) After ~~The Joint Committee shall, as soon as practicable~~ ~~after~~ the issuance of a statement under subsection (a), any member of the General Assembly may introduce in ~~either house of~~ the General Assembly a joint resolution stating that the General Assembly desires to discontinue ~~continue~~ the prohibition against the proposed rule, amendment, or repealer or the portion thereof to which the statement was issued being filed and taking effect. ~~The joint resolution shall, immediately following its first reading, be placed on the calendar for consideration in each house of the General Assembly without reference to a standing committee.~~ If the joint resolution is not passed by both houses of the General Assembly within the 180 days after receipt of the statement by the Secretary of State or the statement is not withdrawn as provided in subsection (a) ~~day period provided in subsection (b)~~, the agency shall be prohibited from filing the proposed rule, amendment, or repealer or the portion thereof and the proposed rule, amendment, or repealer or the portion thereof shall not take effect. The Secretary of State shall not accept for filing the proposed rule, amendment, or repealer or the portion thereof with respect to which the Joint Committee has issued a statement under subsection (a) unless that statement is withdrawn or a joint resolution is passed as provided in this subsection. ~~that the General Assembly has prohibited the agency from filing as provided in this subsection.~~ If the 180-day ~~180-day~~ period ~~provided in subsection (b)~~ expires before passage of the joint resolution, the agency may not file the proposed rule, amendment, or repealer or the portion thereof as adopted and it shall not take effect.

(d) If a statement is issued under this Section, then, in response to an objection or suggestion of the Joint Committee,

the agency may propose changes to the proposed rule, amendment, or repealer or portion of a proposed rule, amendment, or repealer. If the agency proposes changes, it must provide additional notice to the Joint Committee under the same terms and conditions and shall be subject to the same requirements and limitations as those set forth for a second notice period under subsection (c) of Section 5-40.

(a) The Joint Committee may examine any rule to determine whether the rule is within the statutory authority upon which it is based and whether the rule is in proper form.

(b) If the Joint Committee objects to a rule, it shall, within 5 days of the objection, certify the fact to the adopting agency and include within the certification a statement of its specific objections.

The notice shall be published in the next available issue of the Illinois Register. (5 ILCS 100/5-125) (from Ch. 127, par. 1005-125)

Sec. 5-125. Other Joint Committee action with respect to emergency or peremptory rulemaking.

(a) If the Joint Committee determines that a rule or portion of a rule adopted under Section 5-45 or 5-50 is objectionable under any of the standards for the Joint Committee's review specified in Section 5-100, 5-105, 5-110, 5-120, or 5-130 and constitutes a serious threat to the public interest, safety, or welfare, the Joint Committee may issue a statement to that effect. The statement may be issued by the Joint Committee only upon the affirmative vote of three-fifths of the members appointed to the Joint Committee. The Joint Committee, however, may withdraw a statement within 180 days

after it is issued upon the affirmative vote of a majority of the members appointed to the Joint Committee. A certified copy of each ~~the~~ statement and withdrawal shall be transmitted to the affected agency and to the Secretary of State for publication in the next available issue of the Illinois Register. Within 30 days of transmittal of the statement to the agency, the agency shall notify the Joint Committee in writing whether it has elected to repeal or amend the rule. Failure of the agency to notify the Joint Committee and Secretary of State within 30 days constitutes a decision by the agency to not repeal the rule.

(b) The effectiveness of the rule or the portion of a rule shall be suspended immediately ~~for at least 180 days~~ upon receipt of the certified statement by the Secretary of State. The Secretary of State shall indicate the suspension prominently and clearly on the face of the affected rule or the portion of a rule filed in the Office of the Secretary of State. Rules or portions of rules suspended under this subsection shall not become effective again unless the statement is withdrawn as provided in subsection (a) or unless within ~~upon the expiration of~~ 180 days from receipt of the statement by the Secretary of State, ~~if~~ the General Assembly discontinues ~~does not continue~~ the suspension by joint resolution under subsection (c). The agency may not enforce, or invoke for any reason, a rule or portion of a rule that has been suspended under this subsection. During the 180-day ~~180 day~~ period, the agency may not file, nor may the Secretary of State accept for filing, any rule that (i) has ~~having~~ substantially the same purpose and effect as rules or portions of rules suspended under this subsection or (ii) does not substantially address the statement issued under subsection (a), except as otherwise provided in this Section.

(c) After ~~The Joint Committee shall, as soon as practicable~~ ~~after~~ the issuance of a statement under subsection (a), any member of the General Assembly may introduce in ~~cause to be introduced in either house of~~ the General Assembly a joint

resolution stating that the General Assembly desires to discontinue ~~continue~~ the suspension of effectiveness of a rule or the portion of the rule to which the statement was issued. ~~The joint resolution shall immediately following its first reading be placed on the calendar for consideration in each house of the General Assembly without reference to a standing committee.~~ If the joint resolution is not passed by both houses of the General Assembly within the 180-day ~~180-day~~ period provided in subsection (b) or the statement is not withdrawn, the rule or the portion of the rule shall be considered repealed and the Secretary of State shall immediately remove the rule or portion of a rule from the collection of effective rules.

(d) If a statement is issued under this Section, then, in response to an objection or suggestion of the Joint Committee, the agency may propose changes to the rule, amendment, or repealer or portion of a rule, amendment, or repealer. If the agency proposes changes, it must provide additional notice to the Joint Committee under the same terms and conditions and shall be subject to the same requirements and limitations as those set forth for a second notice period under subsection (c) of Section 5-40.

Section 10. The Illinois Procurement Code is amended by changing Section 30-30 as follows:

(30 ILCS 500/30-30)

Sec. 30-30. Contracts in excess of \$250,000. For building construction contracts in excess of \$250,000, separate specifications shall be prepared for all equipment, labor, and materials in connection with the following 5 subdivisions of the work to be performed:

(1) plumbing;

(2) heating, piping, refrigeration, and automatic temperature control systems, including the testing and

balancing of those systems;

(3) ventilating and distribution systems for conditioned air, including the testing and balancing of those systems;

(4) electric wiring; and

(5) general contract work.

The specifications must be so drawn as to permit separate and independent bidding upon each of the 5 subdivisions of work. All contracts awarded for any part thereof shall award the 5 subdivisions of work separately to responsible and reliable persons, firms, or corporations engaged in these classes of work. The contracts, at the discretion of the construction agency, may be assigned to the successful bidder on the general contract work or to the successful bidder on the subdivision of work designated by the construction agency before the bidding as the prime subdivision of work, provided that all payments will be made directly to the contractors for the 5 subdivisions of work upon compliance with the conditions of the contract. A contract may be let for one or more buildings in any project to the same contractor. The specifications shall require, however, that unless the buildings are identical, a separate price shall be submitted for each building. The contract may be awarded to the lowest responsible bidder for each or all of the buildings included in the specifications.

Until a date 2 years after the effective date of this amendatory Act of the 93rd General Assembly, the requirements of this Section do not apply to the construction of an Emergency Operations Center for the Illinois Emergency Management Agency if (i) the majority of the funding for the project is from federal funds, (ii) the bid of the successful bidder identifies the name of the subcontractor, if any, and the bid proposal costs for each of the 5 subdivisions of work set forth in this Section, and (iii) the contract entered into with the successful bidder provides that no identified subcontractor may be terminated without the written consent of
